Garment Workers' Trade Union Centre (GWTUC) and all struggling workers of the Dragon Sweater factory in Bangladesh is highly appreciate your solidarity movement in support of our long nine months struggle. We congratulate you for your demonstration in many different important city across the world. It really shows the commonness and strong class unity of the working class of the world. That pushed the movement to the victory. We also grateful for your outstanding effort to organize crowd funding to support the movement and to contribute the daily struggle of the workers life. We did and will definitely ensure the most effective use of the fund for the suffering workers and for their common cause. We will send you a detail report regarding the expenditure of the fund accordingly.

We are very hopeful to have an effective class-conscious, internationalist forum and global unity. We are always very grateful to you for your solidarity effort.
