

[Please fill out this form and submit](#) if you would like to sign on to this letter to Total, Chevron, POSCO, their shareholders, Associate Banks and International Governments.

To send **Advocacy Letters** to the governments across the world, and international companies working together with Junta (especially in oil and gas sectors),

We will send [separate Advocacy Letters](#) to the Total, Chevron, POSCO, their shareholders, Banks that associate with the military junta, EU Council.

We want to demand these following three facts with your organization's solidarity and you can register on this form if you agree.

### **Blood Money Campaign Demands!**

1. Stop all revenue flows from international companies to the illegal military junta
2. Freeze all payments designated for the Government of Myanmar until democracy is restored in Myanmar (Keep in Escrow Account)
3. International governments call for implement sanctions against MOGE, whose accounts are now under the control of the military junta

### **Blood Money Campaign Global Myanmar Spring Resolution**
